December 1, 2009

To: HICA Members

From: Safety Committee, Roy Kimura

Re: Seminar Survey 2009-2010

Twice a year the Safety Committee sends out a short survey to help us determine interest for safety seminars and classes throughout the year.

The HICA Board of Directors has approved a decrease in cost of all safety classes, as of September 15, 2009.

Please fill in the form below and indicate the approximate number of employees that would like to attend the seminars and classes listed.

Due to our commitments with the qualified instructors, classroom reservations, and funding, the committee would appreciate quick response to this survey so we can schedule the classes as soon as possible.

Please fax or email your responses to the HICA office no later than 12:00 noon December 18, 2009. If you have any questions, please call Roy Kimura at 934-0944.

Company _____
